### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eli Weiss (17765) on Friday, March 17, 2006.

The application has been amended as follows:

Claims 1 and 4 have been cancelled.

### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 2, the prior art fails to teach a ground fault circuit interrupter comprising an indicating means that will alert a user that the flow of electrical current from a source of electrical power to an external electrical device will not be interrupted when a ground fault condition exists, in combination with the other limitations in the claim.

Gross (4,031,431) teaches a ground fault circuit interrupter comprising an indicating means responsive to a ground fault current interrupter means for automatically indicating when said ground fault current interrupter means is not properly

electrically connected to a source of electrical power, but the flow of electrical current from said source of electrical power to an external electrical device will still be interrupted when a ground fault condition exists. The ground fault circuit interrupter of Gross is designed to disconnect the source of electrical power from the external electrical device both when a ground fault condition exists and when said ground fault current interrupter means is not properly electrically connected to said source of electrical power.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ann T. Hoang, whose telephone number is 571-272-2724. The examiner can normally be reached Monday through Friday, 8:00 a.m. to 5:00 p.m.
